MEMORANDUM FOR THE DISTRIBUTION LIST

Subj: United States Marine Corps Status of Forces Book, addition to

Encl: (1) Status of Forces Book weekly tab changes

1. Purpose. The purpose of this memorandum is to call to the attention of the users of the United States Marine Corps Status of Forces Book the introduction, by this week's tab changes, of new tabs in Section 1 to the book, which, for the first time, will report status information on miscellaneous non-FMF units. It is hoped that these new tabs will be beneficial to the users of the book. The new tabs, tab 14-1 through 14-5, include information reflecting location, strength and commanding officers of the Marine Barracks, Marine Security Guard Battalion Detachments, and the Marine Detachments Afloat as well as world area maps to graphically show locations of those non-FMF units. These tabs will be up-dated at least quarterly.
