The quantity and the monthly market price vary at different stations, and the officers receive this allowance upon a certificate of their commanding officer.

NOTE.—The allowance of $10 per month for responsibility with regard to clothing, &c., is made to—

1. The senior or commanding marine officer, in a squadron.
2. The senior or commanding officer of the marine guard on board a ship of the line, or a frigate.
3. The commanding officer of marines at head quarters, and at each of the navy yards.

NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1850. Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and the date of first order from the Department for service.

☞ The attention of officers is particularly called to the orders and regulations published at the end of the Register.

The quantity and the monthly market price vary at different stations, and the officers receive this allowance upon a certificate of their commanding officer.

1. The senior or commanding marine officer, in a squadron.
2. The senior or commanding officer of the marine guard on board a ship of the line, or a frigate.
3. The commanding officer of marines at head quarters, and at each of the navy yards.

NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1851. Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and the date of first order from the Department for service.

SEC. 8. *And be it further enacted*, That, from and after the passage of this act, all prize money, arising from captures made by the vessels of the navy of the United States, received by the marshal who shall make sale of such prizes, shall, within sixty days after such sale, deposit the nett proceeds, after paying all charges, as now provided by law, into the treasury of the United States; and all money now in the hands of prize agents shall also be deposited in the treasury, to be distributed as now provided by law; such part thereof as may belong to the officers and crews of the vessels of the navy shall be paid to them under the direction of the Secretary of the Navy, and the law authorizing the appointment of prize agents is hereby repealed.

Joint Resolution of Congress, approved March 3, 1849.

That the accounting officers of the Treasury are authorized and directed to credit pursers of the navy with payments made by them for carrying on hostilities against Mexico, during the late war with that Republic, whether the expenditures were made on land or water: *Provided*, The said payments shall have been made under orders of the naval officer in command, and approved by the Secretary of the Navy; and provided that satisfactory vouchers are produced to establish such payments.

SEC. 2. *And be it further resolved*, That every disbursement of public moneys, or disposal of public stores, made by order of any commanding officer of the navy, which shall be objected to by the accounting officers of the treasury, in the settlement of the accounts of any disbursing officer, shall nevertheless be allowed to such disbursing officer; and the commanding officer by whose order such disbursement or disposal was made, shall be held accountable for the same: *Provided*, That satisfactory evidence of such order, and of the payment of public moneys, or disposal of public stores under the same, shall be produced.

From the Naval Appropriation Bill, approved September 28, 1850.

Provided, That flogging in the navy and on board vessels of commerce be and the same is hereby abolished from and after the passage of this act. And that no midshipman in the navy shall be appointed from any Congressional district having at the time of appointment more than two officers of that grade in the navy from such district. And whenever an appointment shall be made from any State, the person so appointed shall be an actual resident of the Congressional district from which the appointment purports to be made. And *Provided further*, That such Congressional district of any State as may not have any midshipman in the navy at the time an appointment may be made from said State, shall be entitled to at least one appointment before any other shall be made from any district of the State having one or more officers of that grade in the navy.

GENERAL ORDER.

The President of the United States, believing that greater formality in the infliction of such corporeal punishments as are authorized by law may be adopted in the navy with beneficial consequences, directs that no such punishment shall be inflicted on any person in the service without sentence of a court martial, when that is required by law, or the written order of the captain or commanding officer of the vessel, or commandant of the navy yard to which he is attached, where the authority to cause it to be inflicted rests in the discretion of the commanding officer, specifying the offence or offences, and the extent of the punishment to be inflicted; which order shall be read, and the punishment inflicted in presence of the officers and seamen belonging to the vessel or navy yard.

All such orders for punishment shall be entered on the log-book, and a quarterly return made to the Secretary of the Navy, stating the names of the persons punished, their offences, and the extent of the punishment inflicted, together with such explanations or remarks as the commanding officer may deem necessary to a proper understanding of the case.

The President also directs that the law authorizing the enlistment of seamen and others for the naval services, as it may be in operation at the time of enlistment, shall be printed on the back of the shipping articles, and read to each person desirous to enter, previous to his signing them, in order that he may know precisely the engagements and obligations he is about to contract.

GENERAL ORDER.

UNITED STATES NAVY DEPARTMENT.
Washington, February 18, 1846.

It having been repeatedly represented to the Department, that confusion arises from the use of the words "Larboard" and "Starboard," in consequence of their similarity of sound, the word "Port" is hereafter to be substituted for "Larboard."

GEORGE BANCROFT.

GENERAL ORDER.

Vacancies in the grade of Masters may be filled by the oldest Passed Midshipmen who are worthy of advancement.

The fitness of the senior Passed Midshipmen for advancement may be established by an examination, or by the records of the Department, or by the testimony of the officers under whom they have served, or in such other manner as may be deemed proper. Those who may be found not suited to be advanced, may be placed on furlough or dropped from the list.

The Masters thus appointed will receive regular warrants, and will also remain in the line of promotion.

NAVY DEPARTMENT, *August* 31, 1846. GEORGE BANCROFT.

REGULATION.

NAVY DEPARTMENT, *March* 1, 1849. J. Y. MASON.

CIRCULAR TO PURSERS.

After the first day of March, 1850, all Pursers on duty within the United States will make their requisitions for money direct upon the Navy Department and its Bureaux, instead of upon the Navy Agents, as has, heretofore, been the practice in some cases.

The approval of Pursers' requisitions by Commanding Officers will be required as evidence in favor of the wants of the service, and no requisition will be answered unless it bears upon it the signature of the Commanding Officer.

* In the "estimates" of the marine corps, *fuel* is put down at $7 per cord, and the same price is used in the above calculations.

The quantity and the monthly market price vary at different stations, and the officers receive this allowance upon a certificate of their commanding officer.

NOTE.—The allowance of $10 per month for responsibility with regard to clothing, &c., is made to—
1. The senior or commanding marine officer, in a squadron.
2. The senior or commanding officer of the marine guard on board a ship of the line, or a frigate.
3. The commanding officer of marines at head quarters, and at each of the navy yards.

NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1852. As a general rule, the "sea service," with which an officer is credited, is for duty performed under orders from the Department, as part of the complement of a vessel of war, belonging to the Navy, in commission for sea service.—Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and date of first order from the Department for service.

☞The attention of officers is particularly called to the orders and regulations published in the latter part of the Register.
