NOTE.—The sea and other service affixed to the names of officers in the Register is computed to the 1st January, 1858. As a general rule, the "sea service" with which an officer is credited, is for duty performed under orders from the Department, as part of the complement of a vessel-of-war, belonging to the Navy, in commission for sea service. Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and date of first order from the Department for service.

☞ The attention of officers is particularly called to the Orders and Regulations published in the latter part of the Register.

AN ACT TO PROMOTE THE EFFICIENCY OF THE NAVY.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That as soon as practicable after the passage of this act, the President of the United States shall cause a board of naval officers to be assembled, to consist of five captains, five commanders, and five lieutenants, which board, under such regulations as the Secretary of the Navy may prescribe, shall make a careful examination into the efficiency of the officers of the grades hereinafter mentioned, and shall report to the Secretary of the Navy the names and rank of all officers of the said grades who, in the judgment of said board, shall be incapable of performing promptly and efficiently all their duty, both ashore and afloat; and whenever said board shall believe that said incompetency has arisen from any cause implying sufficient blame on the part of the officer to justify it, they shall recommend that his name be stricken altogether from the rolls. Vacancies occurring in said board shall be filled by the Secretary of the Navy, who shall preserve the number and grades of its officers, as aforesaid: *Provided*, That no officers upon said board shall examine into, or report upon the efficiency of officers of a grade above them.

SEC. 2. *And be it further enacted*, That all officers who shall be found by the said board incapable of performing the duties of their respective offices, ranks, or grades, shall, if such finding be approved by the President, be dropped from the rolls, or placed, in the order of their rank and seniority at the time, upon a list in the Navy Register, to be entitled the reserved list; and those so placed on the reserved list shall receive the leave of absence pay or the furlough pay to which they may be entitled, when so placed according to the report of the board and approval of the President, and shall be ineligible to further promotion, but shall be subject to the orders of the Navy Department at all times for duty; and vacancies created in the active service list, by placing officers on the reserved list, shall be filled by regular promotion in the order of rank or seniority. And officers who may be promoted to fill the vacancies created by the reserved list shall, while unemployed, receive only the "leave of absence" or "waiting orders" pay to which they would have been entitled if such promotion had not been made; but when employed at sea, or on other duty, they shall receive, in addition to such "leave of absence" or "waiting orders" pay, the difference between the "waiting orders" or "leave of absence" pay and the lowest sea-service pay of the grade to which they may be so promoted: *Provided*, That this scrutiny and reservation of officers shall extend only to the grades of captain, commander, lieutenant, masters, and passed midshipmen: *And provided further*, That all vacancies occurring in the grade of masters shall be filled by the promotion of the senior passed midshipman, to be entitled masters in the line of promotion, who, when promoted, shall receive the pay allowed by law to masters; that the number of masters in the line of promotion shall not exceed sixty, and that nothing in this act contained shall be held or construed to authorize any increase of the aggregate pay of the said grades, or of the naval service, as now allowed by law.

SEC. 3. *And be it further enacted*, That nothing in this act contained shall be construed to restrict, apply to, or impair the regular promotion of officers in the service list of the navy who may be at any time entitled to promotion—consequent upon deaths, dismissals, or resignations in the naval service—nor in any manner to abridge or impair the right of the Secretary of the Navy to place any officers upon furlough.

SEC. 4. *And be it further enacted*, That nothing in this act shall be so construed as to increase the aggregate number of officers, and that all laws, or clauses of laws, so far as they conflict with the provisions of this act, are hereby repealed.

Approved February 28, 1855.

AN ACT TO PROVIDE A MORE EFFICIENT DISCIPLINE FOR THE NAVY.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, from and after the passage of this act, it shall be the duty of every commanding officer of any of the vessels of the navy, on returning from a cruise, to forward immediately on his arrival in port, to the Secretary of the Navy, a list of the names of such of the crew who enlisted for three years as in his opinion, on being discharged, are entitled to an "honorable discharge," as a testimonial of fidelity and obedience; and that he shall grant the same to such, according to the form to be prescribed by the Secretary of the Navy.

SEC. 2. *And be it further enacted*, That if any seaman, ordinary seaman, landsman, or boy, shall re-enlist for three years, within three months after his discharge, he shall, on presenting his honorable discharge, or on accounting in a satisfactory manner for its loss, be entitled to pay during the said three months, equal to that to which he would have been entitled if he had been employed in actual service.

SEC. 3. *And be it further enacted*, That it shall be the duty of commanders of any vessel in the navy, in granting temporary leave of absence and liberty on shore, to exercise carefully a discrimination in favor of the faithful and obedient.

SEC. 4. *And be it further enacted*, That summary courts-martial may be ordered upon petty officers and persons of inferior ratings by the commander of any vessel in the navy to which such persons belong, for the trial of offences which he may deem deserving of greater punishment than the commander of a vessel himself is by law authorized to inflict of his own authority, but not sufficient to require trial by general court-martial.

SEC. 5. *And be it further enacted*, That summary courts-martial shall consist of three officers not below the rank of passed midshipman, and of some competent person to act as recorder. Before proceeding to trial, the members shall take the following oath or affirmation, which the recorder is hereby authorized to administer: "You, A B, do solemnly swear (or affirm) that you will well and truly try, without prejudice or partiality, the case now depending, according to the evidence which shall be adduced, the laws for the government of the navy, and your own conscience. So help you God."

After which, the recorder of the court shall take the following oath or affirmation, which the senior member of the court shall administer: "You, A B, do solemnly swear (or affirm) that you will keep a true record of the evidence which may be given before this court, and of the proceedings thereof. So help you God."

SEC. 6. *And be it further enacted*, That the commander of a ship shall have authority to order any officer under his command to act as the recorder of a summary court-martial.

SEC. 7. *And be it further enacted*, That all testimony given before such court shall be given orally, on oath or affirmation, which the senior member of the court shall administer.

That summary courts-martial may sentence petty officers and persons of inferior ratings to any one of the following punishments, viz:

First. Discharge from the service with bad-conduct discharge, but the sentence not to be carried into effect in a foreign country.

Second. Solitary confinement in irons, single or double, on bread and water, or diminished rations, provided no such confinement shall exceed thirty days.

Third. Solitary confinement in irons, single or double, not exceeding thirty days.

Fourth. Solitary confinement not exceeding thirty days.

Fifth. Confinement not exceeding two months.

Sixth. Reduction to next inferior rating.

Seventh. Deprivation of liberty on shore on foreign station.

Eighth. Extra police duties, and loss of pay, not to exceed three months, may be added to any of the abovementioned punishments.

SEC. 8. *And be it further enacted*, That no sentence of a summary court-martial shall be carried into effect without the approval of the officer ordering the court, who shall have power to remit in part or altogether, but not to commute, any such sentence. And it shall be the duty of any such commanding officer to remit any part or the whole of any sentence by a summary court-martial, the execution of which would, in the opinion of the surgeon or senior medical officer on board, given in writing, produce serious injury to the health of the person sentenced; or in case he shall refuse to do so, it shall be his duty, without delay, to submit the case again to the same or to another summary court-martial, which shall have power, upon the testimony already taken, to remit the former punishment, and to assign some other of the authorized punishments in the place thereof.

SEC. 9. *And be it further enacted*, That the proceedings of summary courts-martial shall be conducted with as much conciseness and precision as may be consistent with the ends of justice, and under such forms and rules as may be prescribed by the Secretary of the Navy, with the approval of the President of the United States; and all such proceedings shall be transmitted in the usual mode to the Navy Department.

SEC. 10. *And be it further enacted*, That any punishments authorized by this act to be inflicted by a summary court-martial may likewise be inflicted by any general court-martial.

SEC. 11. *And be it further enacted*, That any person who shall entice any seaman, ordinary seaman, landsman, or boy, who may have enlisted into the naval service of the United States, to desert therefrom, or who shall conceal any person who may have so deserted, and shall refuse to deliver him up upon the order of his commanding officer, shall, upon legal conviction thereof, be fined, at the discretion of the court, in any sum not exceeding three hundred dollars, or be imprisoned for any term not exceeding one year.

Approved March 2, 1855.

From the Naval Appropriation Bill, approved March 3, 1855.

That in lieu of two thousand dollars per annum, the maximum of compensation now allowed by law to navy agents, there shall be allowed two per centum commission on the first hundred thousand dollars, or under, disbursed by them; and one per centum on every succeeding one hundred thousand dollars, or under, disbursed by them, until the compensation reaches the sum of three thousand dollars per annum, which amount shall be the maximum of compensation for said agent: *Provided*, That the compensation named herein shall be in lieu of all extra compensation of every nature and description, rendered by navy agents by order of the Navy Department, from and after the passage of this act. *And provided further*, That nothing herein contained shall be construed to reduce the salary to which any navy agent is entitled under existing laws.

* * * * * * * * * * *

AN ACT TO AMEND AN ACT ENTITLED "AN ACT TO PROMOTE THE EFFICIENCY OF THE NAVY.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, upon the written request, made within ninety days after the passage hereof, or within thirty days after the return of any officer absent from the United States at the time of the passage of this act, provided he shall return within one year after the passage of this act, by any officer of the navy who was dropped, furloughed, or retired by the operation of the act of the twenty-eighth of February, eighteen hundred and fifty-five, entitled "An act to promote the efficiency of the navy," the Secretary of the Navy shall cause the physical, mental, professional, and moral fitness of such officer for the naval service to be investigated by a court of inquiry, which shall be governed by the laws and regulations which now govern courts of inquiry; and the said court shall in their finding report whether the said officer, if he has been dropped from the rolls of the navy, ought to be restored, and, if restored, whether to the active or the reserved list, and if to the latter, whether on leave of absence or furlough pay; and in case the officer making the written request, as aforesaid, shall have been placed on the reserved list, then the court, in their finding, shall report whether the said officer ought to be restored to the active list, or, if not restored, whether he ought to remain on the retired list on leave of absence or furlough pay; and the finding of the court shall, in all cases, be submitted to the President of the United States, and, if approved by him, in the case of a dropped officer, when restoration has been recommended, such officer may be nominated by the President to the Senate for restoration to the service, according to the finding of the court, as approved by him; and in the case of a retired officer, the finding of the court, when approved by the President, shall be conclusive; and such officer shall be restored to the active list, to occupy that position and rank in the navy which he would have occupied had he not been retired under the action of the late naval board; or he shall remain upon the retired list on leave of absence or furlough pay, according to the finding of the court, as approved by the President: *Provided*, That the officers so restored or placed on the reserved list shall be appointed to their places, respectively, by the President, by and with the advice and consent of the Senate.

SEC. 2. *And be it further enacted*, That the operation of the present law limiting the number of officers of the navy shall be suspended so far as to authorize the restoration within one year from the passage of this act, by the President, by and with the advice and consent of the Senate, of officers reserved or dropped under the operation of the act of the twenty-eighth of

February, eighteen hundred and fifty-five, entitled "An act to promote the efficiency of the navy:" *Provided*, That there shall be no further promotions or appointments in any grade, after said restoration shall have been made thereto, until such grade in the active service shall be reduced to the limit now prescribed by law. That when any such officer shall be restored to the navy, by and with the advice and consent of the Senate, the officer so restored shall occupy that position and rank in the navy which he would have held had he not been retired, furloughed, or dropped, by the order of the President, on the report of the naval board: *Provided further*, That any dropped officer who may be, in the opinion of said court, entitled to be placed on the retired or furloughed list, may be thus placed by the President, by and with the advice and consent of the Senate.

SEC. 4. *And be it further enacted*, That reserved officers may be promoted on the reserved list, by and with the advice and consent of the Senate, but no such promotion shall entitle them to any pay beyond that to which they were entitled when so reserved; nor shall they, by such promotion, take any higher rank than they would have taken had they been retained in the active service of the navy; and nothing in this act, or in the act to which this is an amendment, shall be so construed as to preclude officers on the reserved list from wearing the uniform of their grades, respectively.

SEC. 5. *And be it further enacted*, That captains in command of squadrons shall be denominated flag officers.

SEC. 6. *And be it further enacted*, That all officers who may be restored to active service, under the provisions of this act, shall be entitled to draw the same pay they were drawing at the time they were retired or dropped, for and during the time of such retirement or suspension from the active service aforesaid.

Approved January 16, 1857.

DECISION.

NAVY DEPARTMENT, *February* 14, 1855.

The exception in favor of "Executive Officers," when on duty, made in the General Orders of the Navy Department of August 31, 1846, and May 27, 1847, which orders were legalized by act of August 5, 1854, is construed to apply to said officers while in the discharge of their military duties on board the vessel at the station to which they are attached, but not on any other occasion.

J. C. DOBBIN, *Secretary of the Navy.*

GENERAL ORDER.

NAVY DEPARTMENT, *April* 4, 1855.

In conformity with the 9th section of the "Act to provide a more efficient discipline for the navy," approved March 2, 1855, the following regulations have been submitted to and approved by the President of the United States, and will be observed by summary courts-martial convened under the authority of the said act:

1. Summary courts-martial will adopt the same forms of proceeding and rules of evidence as naval general courts-martial, so far as they shall be applicable and not inconsistent with the conciseness and precision enjoined by the law, nor with the provisions of this General Order.

2. The form of convening a summary court-martial will be by a brief written order addressed by the commander of the vessel to the senior member of the court, stating the names and rank of the members of the court, and of the recorder, and the time and place of meeting; and by written or verbal orders to the other members of the court and the recorder. The written order to the senior member will be appended to the record of the proceedings.

3. The record will state that the oath prescribed by the law was duly administered to each member and to the recorder, in the presence of the accused.

4. If objection is made by the accused to any member of the court, it will be so stated in the record of proceedings, and made known, if the court think fit, to the commander of the vessel, who will, at his discretion, order another member of the court, or continue the member objected to.

5. The accused shall be furnished, before trial, with a written specification of the offence or offences for which he is to be tried. The specifications shall be as brief as practicable, without unnecessary repetition or circumlocution, or accumulation of epithets, but explicit; and all offences or misconduct committed at any one time by the same individual and intended to be charged against him, shall be comprised in the same specification, which shall be approved, before trial, by the officer ordering the court, and a duplicate of it to be annexed to the record.

6. The accused shall not be required to plead guilty or not guilty to the specification; but if a plea of guilty be made, the court may, at its discretion, admit testimony as to the character of the offender, or in extenuation of the offence. And, in any case, the court may find the accused guilty of the whole or any part of the misconduct charged, according to the evidence, and adjudge punishment for so much as shall be found proved.

7. Witnesses shall be summoned by the recorder through the executive officer of the vessel, and the summons shall be obeyed, unless disapproved by the commanding officer for some reason to be stated in the record.

8. The court, if requested by the accused, may allow a commissioned, warrant, or petty officer to appear as counsel, and cross-examine witnesses in his behalf; but no written defence or argument, nor any protracted oral defence or argument, shall be admitted. Nor shall any testimony not clearly relevant be admitted, nor any documentary evidence be read to the court or appended to the record.

9. If more than one case be tried by the same court, the record of each case shall be separate, the order for convening the court shall be appended to the record of the first case, and be referred to in each subsequent record, so as to show that the proceedings of the court are continuous. And in each case the prescribed oath shall be administered anew to the members and the recorder of the court.

J. C. DOBBIN, *Secretary of the Navy.*

GENERAL ORDER.

NAVY DEPARTMENT, *April* 7, 1855.

Whenever any seaman, ordinary seaman, landsman, or boy, who shall have received the "honorable discharge" from the navy authorized by the "Act to provide a more efficient discipline for the navy," approved March 2, 1855, (form of which has been prescribed by the Department,) shall, within three months from the date thereof, present said "honorable discharge" at any naval rendezvous, if he shall answer the description of such discharge and shall be physically qualified, he shall be re-enlisted for three years, and, upon his transfer to a receiving ship, shall be entitled to receive three months' pay equal to that to "which he would have been entitled if he had been employed in actual service" in the rate specified in the "honorable discharge."

If the "honorable discharge" should have been lost, reference can be made to the files of the Department for corroboration that the person presenting himself did receive an "honorable discharge," and for a descriptive list of his person.

The recruiting officer will write on the face of the "honorable discharge," over his official signature, the date of re-enlistment. After the reception on board the receiving ship of the person re-enlisted, the commanding officer, also, will write on the face of the "honorable discharge," over his official signature, that the three months' pay has been credited or paid to him, with the date of such credit or payment, and the amount thereof.

To those re-enlisting under the "honorable discharge," the advance authorized by the General Order of the Department, dated August 11, 1854, will also be made.

Should the person holding an "honorable discharge" prove physically disqualified, it will be so written by the recruiting officer on the face of the discharge, and such discharge shall not entitle the holder to be received under it.

In the re-enlistment of men under honorable discharges, regard will be had to the provisions of the Circular of March 25, 1851, in relation to enlistments.

On the returns now required to be made to the Department of enlisted men from rendezvous and receiving ships, special reference will be made to those men who have been re-enlisted under an "honorable discharge," and from what vessel they received their discharge.

Commanding officers of vessels, upon returning from a cruise, when directed to discharge the whole or any part of the crew, will furnish to those who, in their judgment, are entitled to it under the law, an "honorable discharge," and separate returns will be made to the Department of the names and description of those to whom they have been given.

Blanks for the honorable discharges and returns will be furnished by the Department, and great care should be taken that they are both accurately and fully filled out.

A yeoman, however, is not to be discharged until his accounts have been audited and approved of by the commandant of the yard, as required by the Ordnance Instructions and other general regulations or orders. If found correct, the commandant of the yard will then grant the "honorable discharge," if entitled to it in the opinion of the commanding officer of the vessel to which he belonged.

When invalids are sent to the United States from a foreign station, the commanding officer of the vessel to which they belonged will transmit a list of their names to the Department, stating the general character of each, and designating such as, in his opinion, are entitled (under the law) to the "honorable discharge," in order that the commandant of the station at which they may arrive in the United States may be directed to grant the said discharge to those deserving it. A duplicate of this list is to be sent also to the commandant of the station where they are to arrive.

When any seaman, ordinary seaman, landsman, or boy, shall be discharged at his own request, or for his own convenience, before the expiration of his term of enlistment, he shall not be entitled to the "honorable discharge."

NAVY DEPARTMENT, *July* 7, 1855.

GENERAL ORDER.

In addition to the requirements of the General Order of the Navy Department of February 17, 1851, the medical officers of the navy, in all certificates of death or disability occurring in the naval service, are hereby directed to make a statement, in each case, of the facts connected therewith, upon which they base their judgment that such death or disability originated "*in the line of duty.*"

The Attorney General, in a circular of May 17, 1855, defines the term "line of duty" "to denote that an act of duty performed must have relation or causation, mediate or immediate, to the wound, the casualty, the injury, or the disease producing disability or death."

CHAS. W. WELSH, *Acting Secretary of the Navy.*

NAVY DEPARTMENT, *July* 17, 1855.

GENERAL ORDER.

The attention of the Department having been recently drawn to the fact that orders issued by the Commanders of Squadrons to those under their command, are frequently signed by officers designating themselves as "Fleet Captain" or "Flag Lieutenant," purporting to be "by order of the Commander-in-chief of the Squadron," the Department directs that, hereafter, all orders in writing, of whatever nature, emanating from the Commander of a Squadron, shall be signed by such Commander himself only.

NAVY DEPARTMENT, *August* 31, 1855.

Extract from a letter addressed to the Fourth Auditor of the Treasury by the Secretary of the Navy, dated October 23, 1855.

"I find, on examination, that the rules of this Department in relation to commencement of pay of officers promoted, have varied. The prevailing practice seems to be to allow pay from the time to which the commission relates in giving rank. This has long been, and is now, the rule of the War Department, to which there is a determination to adhere. I think there should also, if possible, be uniformity in the rules of the two branches of the service.

"I am of opinion, therefore, that it is better for the present to allow the pay back to the period of rank.

"This need not interfere with the General Order of June 9, 1853, applicable to special cases."

GENERAL ORDER.

Hereafter, all persons enlisting for the navy, on being transferred to a sea-going vessel, will be allowed to allot *only* one-half of the rate in which they enlisted, without regard to the rating that may be given them on board the vessel to which transferred.

This rule will apply also to such recruits as may not have been trasferred to a sea-going vessel.

J. C. DOBBIN.
