(3) The Director, MCWAR will ensure that MCWAR continually meets JPME Phase II requirements, submits required reports, and is lead planner for, and executor of, JPME Phase II accreditation efforts. The Director is a member of the MECC. The Dean, MCWAR is a member of the MECC WG.

(4) The Directors, CSC and College of Distance Education and Training (CDET), respectively, will ensure that resident CSC and distance CSC programs continually meet JPME Phase I requirements, submit required reports, and are co-lead planners for, and executors of, JPME Phase I accreditation effort requirements.

(a) The Director, CSC is a member of the MECC.

(b) The Dean, CSC is a member of the MECC WG

(c) The Dean and Associate Dean for CSCDEP, CDET are members of the DECC.

(5) All MCU elements are in support of PAJE requirements, as applicable. Directors, MCWAR, CSC, and CDET are authorized direct liaison with MCU programs and staff sections for PAJE support requirements. Issues regarding the necessity or sufficiency of requested support will be referred to the Provost for resolution.

(6) Directors, MCWAR, CSC, and CDET (CSCDEPs) will ensure that their faculties and staff participate on PAJE team reviews of other JPME institutions and programs as part of their professional service requirements.

4. Procedures

a. PAJE, the MECC, the MECC WG, and DECC activities are coordinated by the J-7 Joint Education Division (JED). The MECC typically meets twice each Academic Year, in the fall and spring, preceded by meetings of the MECC WG.

b. Reports required by the reference will be routed to the President, MCU for information via Academic Affairs (ASD) prior to submission to JED.
