

Kaneohe Bay Installation Base Map Marine Corps Base Hawaii

The North American Datum 1983 (NAD 83) and the World Geodetic System 1984 Datum (WGS 84) are equivalent for mapping, charting, and navigation at this scale.

Although every effort has been made to ensure the accuracy of the information, errors, and conditions originating from physical sources to develop the database may be reflected in the data supplied. The user must be aware of data conditions and ultimately bear the responsibility for the appropriate use of the information with respect to possible errors, original map scale, collection methodology, currency of the data, and other conditions specific to certain data. This information does not depict all possible resources. Field verification of all data is required for site-specific projects. This information is deemed reliable, but not guaranteed.
