SNCOA Reporting Instructions for Reserve Component Marines

Administrative Information

✅ Active Component and Active Reserve Marines are not authorized to attend any Reserve 2-week resident PME course under any circumstance.

✅ Reserve Component Marines on mobilization orders are authorized to attend PME schools that are up to 15 days in duration.

✅ Marines serving on Active Duty Operational Support (ADOS) orders will be unit funded.
  ✧ To avoid use of unit funding, it is recommended that Marines on ADOS orders have their short tour terminated. ADOS can resume upon completion of the course.

✅ Marine Reserve Order Writing System (MROWS) orders will be routed to MFR G-3 and must be received by the fund approvers NLT 30 business days prior to the course report date.

✅ Defense Travel System (DTS) authorization will be routed to MFR G-3 and must be received by DTS Approvers NLT 15 business days prior to the course report date.

✅ Per Diem
  ✧ Government quarters will be provided at no cost.
  ✧ Government messing will be available at cost per the applicable government meal rate (GMR). Use the following link to determine the exact GMR cost for the course dates: https://www.defensetravel.dod.mil/site/faqmeal.cfm
  ✧ GMR will cover the cost of chow at the respective installation; if you use the chow hall, you are required to pay. There are no “meal cards” during school.

✅ Marines traveling from Hawaii or Alaska are authorized an additional day of travel when warranted. Ensure appropriate travel time is requested to arrive on date of check-in.
