GREEN LETTER NO. 1-20

From: Commandant of the Marine Corps
To: All General Officers
All Senior Executive Service Members

Subj: EXECUTIVE EDUCATION PROGRAM

Encl: (1) Executive Education Program Requirement Framework

1. Green Letter 1-17 is cancelled.

2. The Executive Education Program (EEP) establishes the requirement for General Officers and Senior Executives (GO/SES) to continue participation in Professional Military Education as part of an active professional life-long learning process.

3. The EEP is structured to provide courses at the GO/SES level that parallel the Joint Professional Military Education continuum as outlined in CJCSI 1800.01E. In addition to specific CJCS (J-7) managed courses, the EEP provides selected leader executive courses from universities and executive learning centers across the country.

4. My intent is for every GO/SES to complete at least one course from each Learning Area (Leadership, Joint Warfighting, Functional, and Regional Focused courses) at each rank. Minimum participation is one course annually. Enclosure (1) depicts the framework of currently available courses by rank. Course assignment is accomplished through a deliberate slating process. Biannually, the Director, Lejeune Leadership Institute will solicit your preferences of available courses. In coordination with Manpower & Reserve Affairs (Senior Leader Management Branch/Civilian Workforce Management), the President, Marine Corps University will approve and notify individuals of their slated courses. The EEP course catalog is available at:
<https://www.usmcu.edu/lli>.

5. I consider lifelong learning to be a critical warfighting enabler, and as in all things, I expect GO/SES to set the example. My expectation is that you are leading the way.
