## Profile:

Maj Eddie Lipositz received his commission through the PLC-C program. His first operational assignment following Armor Basic Officers Leadership Course was as a Platoon Commander with 2d Tank Battalion in 2011. In 2012, Maj Lipositz deployed with Company B, 2d Tank Battalion in support of Operation ENDURING FREEDOM to the Helmand Province of Afghanistan. Upon redeployment, he served as a tank company Executive Officer and the battalion's Legal Officer. In 2014, Maj Lipositz arrived at the Naval Postgraduate School before earning his degree in Information Warfare Systems Engineering in 2016. Maj Lipositz was subsequently transferred to 2d Marine Expeditionary Brigade to serve as the unit's Technical Information Operations Officer. In 2017, he was reassigned to the 26th Marine Expeditionary Unit where he served in the same billet. In summer 2017, he supported relief operations in Puerto Rico and the U.S. Virgin Islands following Hurricanes Irma and Maria. In 2018, Maj Lipositz deployed with the 26th Marine Expeditionary Unit, primarily supporting USAFRICOM operations. Upon redeployment, Maj Lipositz was transferred and assumed duties as Company Commander, Company C, 2d Tank Battalion. Maj Lipositz currently serves as a Faculty Advisor and the Armor OFEC Director at Expeditionary Warfare School.

B.S., Biology, Seton Hall University

M.S., Information Warfare Systems Engineering, Naval Postgraduate School
