(1) Honorarium Request Template  
(2) Invitational Travel Authorization Request Template  

1. Purpose. To set forth policies and establish procedures for requesting honoraria and invitational travel authorizations (ITA) for guest speakers. Guest speakers refers to individuals conducting speeches, lectures, presentations, or participating as a panelist within MCU/EDCOM for any of the following purposes:  

   a. Delivery of lectures for professional development or supplement instruction.  
   
   b. Presentation of commencement addresses.  
   
   c. Participation in panels, wargames, practical exercises, or other similar events.  

2. Scope. The procedures herein apply strictly to the guest speakers' honoraria and do not address or authorize Federal civil service appointments or the award of personal or non-personal service contracts to experts, consultants, or teachers. Coordination is required with Human Resources and Organizational Management - Quantico for civil service appointments.  

3. Execution  

   a. The term "honorarium" is defined as a payment of money or items of value for an appearance, speech, or writing. Per reference (a), the Deputy Secretary of Defense has set the monetary limit for an honorarium at $2,000 for any event. In cases of multi-day events, the maximum honorarium is limited to $2,000, unless the guest speaker lectures on entirely different topics. In those cases, the maximum amount authorized for each day is $2,000. In any case, the monetary amount must be commensurate with the speaker's expertise.
Subj: HONORARIA AND INVITATIONAL TRAVEL AUTHORIZATIONS

b. Requestors identify a speaker and verify that the speaker is eligible to receive an honorarium in accordance with reference (c). Honoraria may not be given to individuals employed by the U.S. Government, including active duty military. Honoraria may be given to retired military who are not employed by the U.S. Government.

c. Requestors shall ensure that honoraria and ITA packages are initiated at least 30 working days in advance of the scheduled event and approved by the Commanding General, Training and Education Command (CG, TECOM) prior to officially inviting a guest speaker. At no time should an honorarium be negotiated with or promised to a guest speaker. Once approved by CG, TECOM, the honorarium may be offered to the guest.

d. Once approval is granted by CG, TECOM, the sponsoring activity must initiate the financial process for the honorarium in PRBuilder and include the completed approved package. ITAs must be created in the Defense Travel System (DTS) and should not be included in the PRBuilder request.

c. Once the PRBuilder request is approved, the sponsoring activity must initiate the payment request in the Invoicing, Receipt, Acceptance, and Property Transfer Miscellaneous Pay Process. An electronic funds transmittal form must be completed for everyone. Full social security numbers are required to process the payment.

f. If an ITA is requested and approved, the supporting activity must create a DTS profile and authorization.

(1) Travel arrangements and entitlements must be in accordance with the Joint Travel Regulation. Travel should be settled prior to the guest speaker departing but no later than five working days after the completion of the travel.

(2) If the guest speaker’s travel is within or adjacent to Marine Corps Base, Quantico as defined in reference (c), a local voucher will be submitted in DTS.

(3) The sponsoring activity is responsible for informing the guest speaker that in accordance with reference (d), payments totaling $600 or more during a tax year, a Form 1099-MISC must be issued by the paying organization. The $600 or more guidelines apply only to honorarium payments and not the travel expenses/reimbursements. DFAS will keep the necessary records to issue a Form 1099.

4. Applicability. This policy is applicable to MCU/EDCOM.

   d. Reference (c) authorizes Tier 3 officials to delegate approval authority for conference hosting and attendance requests costing $50,000 or less to subordinate General Officers.

3. **Recommendations**

   Recommendation 1: Delegate approval authority for honoraria costing $2,000 or less to CG, EDCOM. The approval process will include an ethics review from EDCOM Staff Judge Advocate (SJA) prior to CG approval.
