Mr. John R. Boyd

Dear Colonel:

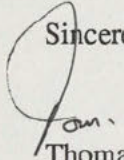

It was a real pleasure speaking with you on the phone on Friday. I'm eager to learn more about your thinking on management.

Meanwhile, George Stalk and I will correct the error of attribution in any future writings on the OODA Loop. I apologize for our oversight.

I enclose a copy of the book with an inscription plus some other recent writings by George or me on related subjects.

I look forward to hearing from you regarding the reproduction cost of your Discourse and talking with you about it.

Sincerely,

Thomas M. Hout
