NOTE.—The merits and qualifications of Passed Midshipmen Aulick and Savage were, in the estimation of the Board of Examiners, so precisely equal, that it was thought admissible to determine by *lot* who should stand number one, and the choice fell on Mr. Aulick.

CIRCULAR TO MIDSHIPMEN.

As the number of Midshipmen of the date of 1841, being one hundred and eighty-six, is larger than can be conveniently examined at one time, and as the number of the date of 1842 is too small to form a separate class, all those appointed between January, 1841, and July, 1842, inclusive, will be ordered to report for examination in such numbers and at such times as the interests of the service will allow. In order, however, that an equal chance may be afforded to all, the numbers of relative merit will not be assigned until all within these dates shall have had an opportunity of being examined.

GEORGE BANCROFT.

"HOUSE OF REPRESENTATIVES,
February 16, 1843.

"Resolved, *That in all future publications of the Army and Navy Register of the United States, there shall be affixed opposite the name of each person published therein, in separate columns, the annual pay of such officer or person, the amount paid him for rations, servants and forage, and the gross amount paid or allowed him in all respects for and on his account, and for and during the year preceding such publication.*"

TREASURY DEPARTMENT, FOURTH AUDITOR'S OFFICE,
December 7th, 1846.

SIR,

I have the honor to transmit a report called for by the Department, to enable it, in the preparation of the Army and Navy Registers for the year 1847, to comply with a resolution of the House of Representatives of the 16th of February, 1843, which requires that "in all future publications of those Registers there shall be affixed opposite the name of each person published therein, in separate columns, the annual pay of such officer or person, the amount paid him for rations, servants, and forage, and the gross amount paid or allowed him in all respects for and on his account, and for and during the year preceding such publication."

The few blanks which appear are occasioned by the want of returns from Pursers of distant vessels, and are not of much importance, since the amount received by officers on board such vessels very generally consists only of the sea-pay belonging to their rank and a commutation for their ration.

The statement is made for the *fiscal* year, terminating on the 30th of June last: since if it were for the *calendar* year, immediately preceding the publication of the Register, it would necessarily be so imperfect as to be useless: the law allowing to Disbursing Officers within the United States three months, and to those abroad six months, after the termination of each quarter to make up and render their accounts.

I have the honor to be, sir,
Very respectfully, your obedient servant,
A. O. DAYTON.

To the Hon. J. Y. MASON,
Secretary of the Navy.

ANNUAL PAY

Of each Officer, borne upon the Navy Register; the amount paid for Rations, Servants, and Forage; and the Gross Amount Paid or allowed in all respects for and on his account, and for and during the period embraced between the 1st of July, 1845, and the 30th June, 1846.

☞ NOTE.—The sums which appear opposite the name of each officer, are those which have actually been paid. To account for the difference between the sums paid officers of the same grade, it is only necessary to state that officers are sometimes on duty for a portion of the year only, and on leave of absence for the remainder; consequently they may receive two rates of pay. The Hospital dues, of 20 cents per month, are deducted from the pay of every officer in the Navy. The above table shows the pay allowed by law to every grade. The pay of petty officers and seamen is fixed by the President of the United States, under the authority of various laws of Congress.

SEC. 5. *And be it further enacted*, That no commissioned officer or midshipman, or any person under twenty-one years of age, shall be allowed to draw the spirit part of the daily ration; and all other persons shall be permitted to relinquish that part of their ration, under such restrictions as the President of the United States may authorize; and to every person who, by this section, is prohibited from drawing, or who may relinquish, the spirit part of his ration, there shall be paid, in lieu thereof, the value of the same in money, according to the prices which are or may be established for the same.
