NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1849. Officers on the Coast Survey are allowed sea service for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and the date of first order from the Department for service.

☞ The attention of officers is particularly called to the orders and regulations published at the end of the Register.

CIRCULAR TO MIDSHIPMEN.

As the number of Midshipmen of the date of 1841, being one hundred and eighty-six larger than can be conveniently examined at one time, and as the number of the date of 1 is too small to form a separate class, all those appointed between January, 1841, and J 1842, inclusive, will be ordered to report for examination in such numbers and at such times as the interests of the service will allow. In order, however, that an equal chance may be afforded to all, the numbers of relative merit will not be assigned until all within these dates shall have had an opportunity of being examined.

NAVY DEPARTMENT, *February* 26, 1846. GEORGE BANCROFT.
