* In the "estimates" of the marine corps, *fuel* is put down at $7 per cord, and the same price is used in the above calculations.

The quantity and the monthly market price vary at different stations, and the officers receive this allowance upon a certificate of their commanding officer.

NOTE.—The allowance of $10 per month for responsibility with regard to clothing, &c., is made to—
1. The senior or commanding marine officer, in a squadron.
2. The senior or commanding officer of the marine guard on board a ship of the line, or a frigate.
3. The commanding officer of marines at head quarters, and at each of the navy yards.

NOTE.—The sea and other service affixed to the names of officers in the Register, is computed to the 1st January, 1852. As a general rule, the "sea service," with which an officer is credited, is for duty performed under orders from the Department, as part of the complement of a vessel of war, belonging to the Navy, in commission for sea service.—Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and date of first order from the Department for service.

☞The attention of officers is particularly called to the orders and regulations published in the latter part of the Register.

[PUBLIC—NO. 67.]

AN ACT TO REGULATE THE PAY OF PURSERS AND OTHER OFFICERS OF THE NAVY.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all purchases of clothing, groceries, stores, and supplies of every description for the use of the navy, as well for vessels in commission as for yards and stations, shall be made with and out of the public moneys appropriated for the support of the navy, under such directions and regulations as may be made by the Executive for that purpose; and it shall not be lawful for pursers, or other officers or persons holding commission or employment in the naval service, to procure stores or any other articles or supplies for, and dispose thereof to the officers or to the crew, during the period of their enlistment, on or for their own account or benefit; nor shall any profit or per centage upon stores or supplies be charged to, or received from, persons in the naval service, other than those which are hereinafter prescribed.

Sec. 2. *And be it further enacted*, That it shall be the duty of the Executive to provide such rules and regulations for the purchase, preservation, and disposition of all articles, stores, and supplies for persons in the navy, as may be necessary for the safe and economical administration of that branch of the public service.

Sec. 3. *And be it further enacted*, That in lieu of the pay, rations, allowances, and other emoluments authorized by the existing laws and regulations, the annual pay of pursers shall be as follows, viz: when attached to vessels in commission for sea service, they shall receive,

For ships of the line	$3,500

On leave or waiting orders, the same pay as surgeons.

And it is hereby expressly declared, that the yearly pay provided in this act is all the pay, compensation and allowance that shall be received, under any circumstances, by pursers, except one ration each per day when attached to vessels for sea service, and except also for travelling expenses when under orders, for which ten cents per mile shall be allowed.

Sec. 4. *And be it further enacted*, That nothing in this act contained shall be construed to affect the bonds which have heretofore been given by pursers in the navy, but the same shall remain in full force and effect, as if this law had not been passed; and the Secretary of the Navy is hereby authorized and required to demand and receive from them, or any of them, new bonds with sufficient sureties, in all cases in which he may consider the same necessary and expedient; and in case any purser shall neglect or refuse to give such new bond, it shall be the duty of the Executive to dismiss him forthwith from the service.
