NOTE.—The sea and other service affixed to the names of officers in the Register is computed to the 1st January, 1859. As a general rule, the "sea service" with which an officer is credited, is for duty performed under orders from the Department, as part of the complement of a vessel-of-war, belonging to the Navy, in commission for sea service. Officers on the Coast Survey are allowed sea service only for the time they are actually afloat. No credit is given for service in Revenue and Merchant vessels. In the column "unemployed," is included the time between date of warrant and date of first order from the Department for service

The attention of officers is particularly called to the Orders and Regulations published in the latter part of the Register.

**SEC. 4.** *And be it further enacted,* That summary courts-martial may be ordered upon petty officers and persons of inferior ratings by the commander of any vessel in the navy to which such persons belong, for the trial of offences which he may deem deserving of greater punishment than the commander of a vessel himself is by law authorized to inflict of his own authority, but not sufficient to require trial by general court-martial.

**SEC. 5.** *And be it further enacted,* That summary courts-martial shall consist of three officers not below the rank of passed midshipman, and of some competent person to act as recorder. And it shall be the duty of any such commanding officer to remit any part or the whole of any sentence by a summary court-martial, the execution of which would, in the opinion of the surgeon or senior medical officer on board, given in writing, produce serious injury to the health of the person sentenced; or in case he shall refuse to do so, it shall be his duty, without delay, to submit the case again to the same or to another summary court-martial, which shall have power, upon the testimony already taken, to remit the former punishment, and to assign some other of the authorized punishments in the place thereof.

**SEC. 9.** *And be it further enacted,* That the proceedings of summary courts-martial shall be conducted with as much conciseness and precision as may be consistent with the ends of justice, and under such forms and rules as may be prescribed by the Secretary of the Navy, with the approval of the President of the United States; and all such proceedings shall be transmitted in the usual mode to the Navy Department.

**DECISION.**

**NAVY DEPARTMENT, February 14, 1855.**

The exception in favor of "Executive Officers," when on duty, made in the General Orders of the Navy Department of August 31, 1846, and May 27, 1847, which orders were legalized by act of August 5, 1854, is construed to apply to said officers while in the discharge of their military duties on board the vessel at the station to which they are attached, but not on any other occasion.

J. C. DOBBIN, *Secretary of the Navy.*

**GENERAL ORDER.**

**NAVY DEPARTMENT, April 4, 1855.**

In conformity with the 9th section of the "Act to provide a more efficient discipline for the navy," approved March 2, 1855, the following regulations have been submitted to and approved by the President of the United States, and will be observed by summary courts-martial convened under the authority of the said act:

I. Summary courts-martial will adopt the same forms of proceeding and rules of evidence as naval general courts-martial, so far as they shall be applicable and not inconsistent with the conciseness and precision enjoined by the law, nor with the provisions of this General Order.

2. The form of convening a summary court-martial will be by a brief written order addressed by the commander of the vessel to the senior member of the court, stating the names and rank of the members of the court, and of the recorder, and the time and place of meeting; and by written or verbal orders to the other members of the court and the recorder. The written order to the senior member will be appended to the record of the proceedings.

3. The record will state that the oath prescribed by the law was duly administered to each member and to the recorder, in the presence of the accused.

4. If objection is made by the accused to any member of the court, it will be so stated in the record of proceedings, and made known, if the court think fit, to the commander of the vessel, who will, at his discretion, order another member of the court, or continue the member objected to.

5. The accused shall be furnished, before trial, with a written specification of the offence or offences for which he is to be tried. The specifications shall be as brief as practicable, without unnecessary repetition or circumlocution, or accumulation of epithets, but explicit; and all offences or misconduct committed at any one time by the same individual and intended to be charged against him, shall be comprised in the same specification, which shall be approved, before trial, by the officer ordering the court, and a duplicate of it to be annexed to the record.

6. The accused shall not be required to plead guilty or not guilty to the specification; but if a plea of guilty be made, the court may, at its discretion, admit testimony as to the character of the offender, or in extenuation of the offence. And, in any case, the court may find the accused guilty of the whole or any part of the misconduct charged, according to the evidence, and adjudge punishment for so much as shall be found proved.

7. Witnesses shall be summoned by the recorder through the executive officer of the vessel, and the summons shall be obeyed, unless disapproved by the commanding officer for some reason to be stated in the record.

8. The court, if requested by the accused, may allow a commissioned, warrant, or petty officer to appear as counsel, and cross-examine witnesses in his behalf; but no written defence or argument, nor any protracted oral defence or argument shall be admitted. Nor shall any testimony not clearly relevant be admitted, nor any documentary evidence be read to the court or appended to the record.

9. If more than one case be tried by the same court, the record of each case shall be separate, the order for convening the court shall be appended to the record of the first case, and be referred to in each subsequent record, so as to show that the proceedings of the court are continuous. And in each case the prescribed oath shall be administered anew to the members and the recorder of the court.

J. C. DOBBIN, *Secretary of the Navy.*

**GENERAL ORDER.**

**NAVY DEPARTMENT, April 7, 1855.**

Whenever any seaman, ordinary seaman, landsman, or boy, who shall have received the "honorable discharge" from the navy authorized by the "Act to provide a more efficient discipline for the navy," approved March 2, 1855, (form of which has been prescribed by the Department,) shall, within three months from the date thereof, present said "honorable discharge" at any naval rendezvous, if he shall answer the description of such discharge, and shall be physically qualified, he shall be re-enlisted for three years, and, upon his transfer to a receiving ship, shall be entitled to receive three months' pay equal to that to "which he would have been entitled if he had been employed in actual service" in the rate specified in the "honorable discharge".

If the "honorable discharge" should have been lost, reference can be made to the files of the Department for corroboration that the person presenting himself did receive an "honorable discharge," and for a descriptive list of his person.

The recruiting officer will write on the face of the "honorable discharge," over his official signature, the date of re-enlistment. After the reception on board the receiving ship of the person re-enlisted, the commanding officer, also, will write on the face of the "honorable discharge," over his official signature, that the three months' pay has been credited or paid to him, with the date of such credit or payment, and the amount thereof.

To those re-enlisting under the "honorable discharge," the advance authorized by the General Order of the Department, dated August 11, 1854, will also be made.

Should the person holding an "honorable discharge" prove physically disqualified, it will be so written by the recruiting officer on the face of the discharge, and such discharge shall not entitle the holder to be received under it.

In the re-enlistment of men under honorable discharges, regard will be had to the provisions of the Circular of March 25, 1851, in relation to enlistments.

On the returns now required to be made to the Department of enlisted men from rendezvous and receiving ships, special reference will be made to those men who have been re-enlisted under an "honorable discharge," and from what vessel they received their discharge.

Commanding officers of vessels, upon returning from a cruise, when directed to discharge the whole or any part of the crew, will furnish to those who, in their judgment, are entitled to it under the law, an "honorable discharge," and separate returns will be made to the Department of the names and description of those to whom they have been given.

Blanks for the honorable discharges and returns will be furnished by the Department, and great care should be taken that they are both accurately and fully filled out.

A yeoman, however, is not to be discharged until his accounts have been audited and approved of by the commandant of the yard, as required by the Ordnance Instructions and other general regulations or orders. If found correct, the commandant of the yard will then grant the "honorable discharge," if entitled to it in the opinion of the commanding officer of the vessel to which he belonged.

When invalids are sent to the United States from a foreign station, the commanding officer of the vessel to which they belonged will transmit a list of their names to the Department, stating the general character of each, and designating such as, in his opinion, are entitled under the law, to the "honorable discharge," in order that the commandant of the station at which they may arrive in the United States may be directed to grant the said discharge to those deserving it. A duplicate of this list is to be sent also to the commandant of the station where they are to arrive.

When any seaman, ordinary seaman, landsman, or boy, shall be discharged at his own request, or for his own convenience, before the expiration of his term of enlistment, he shall not be entitled to the "honorable discharge."

J. C. DOBBIN, *Secretary of the Navy.*

#### GENERAL ORDER.

Hereafter, in all cases of surveys, it will be the duty of the officer superior in rank on the Board, to prepare the report of such survey.

J. C. DOBBIN, *Secretary of the Navy.*

NAVY DEPARTMENT, July 7, 1855.

#### GENERAL ORDER.

In addition to the requirements of the General Order of the Navy Department of February 17, 1851, the medical officers of the navy, in all certificates of death or disability occurring in the naval service, are hereby directed to make a statement, in each case, of the facts connected therewith upon which they base their judgment that such death or disability originated "in the line of duty."

The Attorney General, in a circular of May 17, 1855, defines the term "line of duty" "to denote that an act of duty performed must have relation or causation, mediate or immediate, to the wound, the casualty, the injury, or the disease producing disability or death."

CHAS. W. WELSH,  
*Acting Secretary of the Navy.*

NAVY DEPARTMENT, July 17, 1855.

#### GENERAL ORDER.

The attention of the Department having been recently drawn to the fact that orders issued by the Commanders of Squadrons to those under their command are frequently signed by

officers designating themselves as "Fleet Captain" or "Flag Lieutenant" purporting to be "by order of the Commander-in-chief of the Squadron," the Department directs that, hereafter, all orders in writing, of whatever nature, emanating from the Commander of a Squadron, shall be signed by such Commander himself only.

J. C. DOBBIN, *Secretary of the Navy.*

NAVY DEPARTMENT, August 31, 1855.

*Extract from a letter addressed to the Fourth Auditor of the Treasury by the Secretary of the Navy dated October 23, 1855.*

"I find, on examination, that the rules of this Department in relation to commencement of pay of officers promoted, have varied. The prevailing practice seems to be to allow pay from the time to which the commission relates in giving rank. This has long been, and is now, the rule of the War Department, to which there is a determination to adhere. I think there should also, if possible, be uniformity in the rules of the two branches of the service.

"I am of opinion, therefore, that it is better for the present to allow the pay back to the period of rank.

"This need not interfere with the General Order of June 9, 1853, applicable to special cases."

#### GENERAL ORDER.

Hereafter, all persons enlisting for the navy, on being transferred to a sea-going vessel, will be allowed to allot *only* one-half of the rate in which they enlisted, without regard to the rating that may be given them on board the vessel to which transferred.

This rule will apply also to such recruits as may not have been transferred to a sea-going vessel.

J. C. DOBBIN.

NAVY DEPARTMENT, January 2, 1856.

#### GENERAL ORDER.

From and after the 1st of July last, the commutation price of rations to the officers and seamen of the navy will be twenty-five cents; also to the officers, non-commissioned officers, musicians, and privates of the marine corps attached to vessels for sea service, but not on shore or other duty.

J. C. DOBBIN.

NAVY DEPARTMENT, August 21, 1856.

I. TOUCEY, *Secretary of the Navy.*

NAVY DEPARTMENT, April 8, 1857.

ISAAC TOUCEY, *Secretary of the Navy.*

NAVY DEPARTMENT, May 17, 1858.

## GENERAL ORDER.
