LAWS.

[The following extracts from laws touching the duties of naval officers, passed at the last session of Congress, were omitted in a compilation of acts relating to the navy recently published.]

From the "Act to provide internal revenue to support the government, and to pay interest on the public debt."—Approved July 1, 1862.

SEC. 86. *And be it further enacted*, That on and after the 1st day of August,* 1862, there shall be levied, collected, and paid on all salaries of officers, or payments to persons in the civil, military, naval, or other employment or service of the United States, including senators and representatives and delegates in Congress, when exceeding the rate of six hundred dollars per annum, a duty of three per centum on the excess above the said six hundred dollars; and it shall be the duty of all *paymasters*, and all *disbursing officers* under the government of the United States, or in the employ thereof, when making any payments to officers and persons, as aforesaid, or upon settling and adjusting the accounts of such officers and persons, to deduct and withhold the aforesaid duty of three per centum, and shall, at the same time make a certificate, stating the name of the officer or person from whom such deduction was made, and the amount thereof, which shall be transmitted to the office of the commissioner of internal revenue, and entered as part of the internal duties; and the pay-roll, receipts, or account of officers or persons paying such duty, as aforesaid, shall be made to exhibit the fact of such payment.

From an "Act to suppress insurrection, punish treason and rebellion, to seize and confiscate the property of rebels, and for other purposes."—Approved July 17, 1862.

SEC. 9. *And be it further enacted*, That all slaves of persons who shall hereafter be engaged in rebellion against the government of the United States, or who shall in any way give aid or comfort thereto, escaping from such persons and taking refuge within the lines of the army; and all slaves captured from such persons, or deserted by them and coming under the control of the government of the United States; and all slaves of such persons found on [or] being within any place occupied by rebel forces and afterwards occupied by forces of the United States, shall be deemed captives of war, and shall be forever free of their servitude, and not again held as slaves.

SEC. 10. *And be it further enacted*, That no slave escaping into any State, Territory, or the District of Columbia, from any other State, shall be delivered up, or in any way impeded or hindered of his liberty, except for crime or some offence against the laws, unless the person claiming said fugitive shall first make oath that the person to whom the labor or service of such fugitive is alleged to be due is his lawful owner, and has not borne arms against the United States in the present rebellion, nor in any way given aid and comfort thereto; and no person engaged in the military or naval service of the United States shall, under any pretence whatever, assume to decide on the validity of the claim of any person to the service or labor of any other person, or surrender up any such person to the claimant, on pain of being dismissed from the service.

* Extended to September 1 by Secretary of the Treasury, as authorized.

An act to provide for the more prompt settlement of the accounts of disbursing officers.

That, from and after the passage of this act, any officer or agent of the United States who shall receive public money which he is not authorized to retain as salary, pay, or emolument, shall render his accounts monthly instead of quarterly as heretofore; and such accounts, with the vouchers necessary to the correct and prompt settlement thereof, shall be rendered direct to the proper accounting officer of the treasury, and be mailed or otherwise forwarded to its proper address within ten days after the expiration of each successive month. And in case of the non-receipt at the treasury of any accounts within a reasonable and proper time thereafter, the officer whose accounts are in default shall be required to furnish satisfactory evidence of having complied with the provisions of this act; and for any default on his part the delinquent officer shall be deemed a defaulter, and be subject to all the penalties prescribed by the sixteenth section of the act of August sixth, eighteen hundred and forty-six, "to provide for the better organization of the treasury, and for the collection, safe-keeping, transfer, and disbursement of the public revenue:" *Provided*, That the Secretary of the Treasury may, if in his opinion the circumstances of the case justify and require it, extend the time hereinbefore prescribed for the rendition of accounts: *And provided further*, That nothing herein contained shall be construed to restrain the heads of any of the departments from requiring such other returns or reports from the officer or agent subject to the control of such heads of departments as the public interest may require.

Approved July 17, 1862.

From "An act to define the pay and emoluments of certain officers of the army, and for other purposes."—Approved July 17, 1862.

SEC. 7. *And be it further enacted*, That * * * no officer of the army or navy of the United States shall be paid mileage except for travel actually performed at his own expense, and in obedience to orders.

ARTICLE 1.

The commanders of all fleets, squadrons, naval stations, and vessels belonging to the navy, are strictly enjoined and required to show in themselves a good example of virtue, honor, patriotism, and subordination; to be vigilant in inspecting the conduct of all who may be placed under their command; to guard against and suppress all dissolute and immoral practices, and to correct all who may be guilty of them, according to the laws and regulations of the navy, upon pain of such punishment as a general court-martial may think proper to inflict.

ARTICLE 2.

The commanders of vessels and naval stations to which chaplains are attached shall cause divine service to be performed on Sunday, whenever the weather and other circumstances will allow it to be done; and it is earnestly recommended to all officers, seamen, and others in the naval service, diligently to attend at every performance of the worship of Almighty God. Any irreverent or unbecoming behavior during divine service shall be punished as a general or summary court-martial shall direct.

ARTICLE 3.

The punishment of death, or such other punishment as a court-martial shall adjudge, may be inflicted on any person in the naval service—

First. Who shall make, or attempt to make, or unite with, any mutinous assembly, or knowing of the same, or of any intended mutiny, shall not forthwith communicate it to his superior or commanding officer; or being witness to, or present at, any mutiny, shall not do his utmost to suppress it;

others to desert or betray their trust, or shall sleep upon his watch, or leave his station before regularly relieved;

Seventh. Or shall intentionally or wilfully suffer any vessel of the navy to be stranded or run upon rocks or shoals, or improperly hazarded, or shall wilfully or maliciously injure any vessel of the navy, or any part of her tackle, armament, or equipment, whereby the safety of the vessel shall be hazarded, or the lives of the crew exposed to danger, or shall set on fire or otherwise unlawfully destroy any public property not then in the possession of an enemy, pirate, or rebel;

Tenth. Or when commanding a fleet, squadron, or vessel acting singly, shall, upon the probability of an engagement, or on sight of any armed vessel of an enemy or rebel, neglect to prepare and clear his ship for action; or shall not, upon signal for battle, use his utmost exertions to join in battle, or shall fail to encourage in his own person his inferior officers and men to fight courageously; or shall not do his utmost to overtake and capture or destroy any vessel which it is his duty to encounter; or shall not afford all practicable relief and assistance to vessels belonging to the United States or their allies when engaged in battle.

ARTICLE 4.

Spies, and all persons who shall come or be found in the capacity of spies, or who shall bring or deliver any seducing letter or message from an enemy or rebel, or endeavor to corrupt any person in the navy to betray his trust, shall suffer death or such other punishment as a court-martial shall adjudge.

ARTICLE 5.

The crime of murder, when committed by an officer, seaman, marine, or other person belonging to any public ship or vessel of the United States, without the territorial jurisdiction of the same, may be punished with death by the sentence of a court-martial.

ARTICLE 6.

In any case where a naval court-martial is authorized to adjudge the punishment of death it may sentence the person convicted to imprisonment for life, or for a stated term at hard labor, and such sentences of imprisonment and hard labor may be carried into execution in any prison or penitentiary under the control of the United States, or the use of which shall be allowed by the legislature of a State; and persons convicted by a court-martial and imprisoned in the prison or penitentiary of any State or Territory shall in all respects be subject to the same discipline and treatment and under the same control as convicts sentenced by the courts of the State or Territory in which such prison or penitentiary is situated.

Tenth. Or shall, in time of peace, desert or attempt to desert, or aid or entice others to desert; or shall be absent from his station or duty without leave, or after his leave shall have expired;

Eleventh. Or shall, when rated or acting as master-at-arms, refuse to receive such prisoners as shall be committed to his charge, or, having received them, shall suffer them to escape, or dismiss them without orders from the proper authority;

Fourteenth. Or shall violate or refuse obedience to any lawful general order or regulation issued by the Secretary of the Navy.

ARTICLE 8.

All offences committed by persons belonging to the navy, which are not specified in the foregoing articles, shall be punished as a court-martial shall direct; but in no case shall punishment by flogging be inflicted, nor shall any court-martial adjudge punishment by flogging.

ARTICLE 9.

All offences committed by persons belonging to the navy, while on shore, shall be punished in the same manner as if they had been committed at sea.

ARTICLE 10.

No commander of a vessel of the navy shall inflict any other punishment upon a commissioned or warrant officer than private reprimand, suspension from duty, arrest, or confinement, neither of which shall continue longer than ten days, except a further period be necessary to bring the offender to a court-martial; nor shall he inflict, or cause or permit to be inflicted, upon any petty officer or person of inferior rating, or marine, any punishment for a single offence, or at any one time, other than one of the following punishments, viz:

First. Reduction of any rating established by himself.

Second. Confinement with or without irons, single or double, such confinement not to exceed ten days, unless necessary in the case of a prisoner to be tried by court-martial.

Third. Solitary confinement on bread and water not exceeding five days.

Fourth. Solitary confinement not exceeding seven days.

Fifth. Deprivation of liberty on shore.

Sixth. Extra duties.

No other punishment shall be permitted on board of vessels belonging to the navy, except by sentence of a general or summary court-martial. Summary courts-martial may disrate any rated person for incompetency. All punishments inflicted by the commander, or by his order, except reprimands, shall be fully entered upon the ship's log.

ARTICLE 11.

General courts-martial may be convened as often as the President of the United States, the Secretary of the Navy, or commander-in-chief of a fleet or a squadron, shall deem it necessary: *Provided*, That in the waters of the United States no commander-in-chief of a fleet or squadron shall convene a general court-martial unless by express authority from the President of the United States: *Provided, also*, That no general court-martial shall consist of more than thirteen nor less than five commissioned officers as members; and as many officers shall be summoned on every such court as can be convened without injury to the service, so as not to exceed thirteen; and the senior officer shall always preside, the others taking place according to their rank; and in no case where it can be avoided without injury to the service shall more than one-half the members, exclusive of the president, be junior to the officer to be tried.

ARTICLE 12.

The president of the court is authorized and required to administer the following oath or affirmation to the judge advocate or person officiating as such:

"I, A B, do swear (or affirm) that I will keep a true record of the evidence given to and the proceedings of this court; nor will I divulge or by any means disclose the sentence of the court until it shall have been approved by the proper authority; nor will I at any time divulge or disclose the vote or opinion of any particular member of the court, unless required so to do before a court of justice in due course of law."

This oath or affirmation being duly administered, each member of the court, before proceeding to trial, shall take the following oath or affirmation, which the judge advocate, or person officiating as such, is hereby authorized to administer:

"I, A B, do swear (or affirm) that I will truly try, without prejudice or partiality, the case now depending, according to the evidence which shall come before the court, the rules for the government of the navy, and my own conscience; and that I will not by any means divulge or disclose the sentence of the court until it shall have been approved by the proper authority, nor will I at any time divulge or disclose the vote or opinion of any particular member of the court unless required so to do before a court of justice in due course of law."

ARTICLE 13.

All testimony given to a general court-martial shall be on oath or affirmation, which the president of the court is hereby authorized to administer; and if any person shall refuse to give his evidence as aforesaid, or shall prevaricate, or shall behave with contempt to the court, it shall and may be lawful for the court to imprison such offender at their discretion: *Provided*, That the imprisonment in no case shall exceed two months. And every person who shall commit wilful perjury on examination on oath or affirmation before such court, or who shall corruptly procure, or suborn, any person to commit such wilful perjury, shall and may be prosecuted by indictment or information in any court of justice of the United States, and shall suffer such penalties as are authorized by the laws of the United States in cases of perjury, or the subornation thereof. And in every prosecution for perjury, or the subornation thereof under this act, it shall be sufficient to set forth the offence charged on the defendant, without setting forth the authority by which the court was held, or the particular matters brought or intended to be brought before said court.

ARTICLE 14.

The following oath shall be administered to witnesses before courts-martial and courts of inquiry:

"You do solemnly swear (or affirm, as the case may be) that the evidence you shall give in the case now before this court shall be the truth, the whole truth, and nothing but the truth, and that you will state everything within your knowledge and recollection in relation to the charges. So help you God," (or this you do under the pains and penalties of perjury.)

ARTICLE 15.

The person accused shall be furnished with a true copy of the charges, with the specifications, at the time he is put under arrest; nor shall any other charges than those so exhibited be urged against the person to be tried before the court, unless it appear to the court that intelligence of such charge had not reached the officer ordering the court when the person so tried was put under arrest, or that some witness material to the support of such charge, who was at that time absent, can be produced, in which case reasonable time shall be given to the person to be tried to make his defence against such new charge. Every officer so arrested is to deliver up his sword to his commanding officer, and to confine himself to the limits assigned him, under the pain of dismissal from service.

ARTICLE 16.

When the proceedings of any general court-martial shall have commenced, they shall not be suspended or delayed on account of the absence of any of the members, provided five or more be assembled; but the court is enjoined to sit from day to day, Sundays excepted, until sentence be given, unless temporarily adjourned by the authority which convened the court. And no member of said

court shall, after the proceedings are begun, absent himself therefrom, unless in case of sickness or orders to go on duty from a superior officer, on pain of being cashiered.

ARTICLE 17.

If a member of a court-martial shall, from any legal cause, fail to attend after the commencement of a case, and witnesses shall be examined during his absence, the court must, when he is ready to resume his seat, cause every person who may have been examined in his absence to be called into court, and the recorded testimony of each witness must be read over to him, and such witness must acknowledge the same to be correct, and be subject to such further examination as the said member may require; and without a compliance with this rule, and an entry of it upon the record, a member who shall have been absent during the examination of a witness shall not be allowed to sit again in that particular case.

ARTICLE 18.

Whenever a court-martial shall sentence an officer to be suspended, the court shall have the power to suspend his pay and emoluments for the whole or any part of the time of his suspension.

ARTICLE 19.

All sentences of courts-martial which shall extend to the loss of life shall require the concurrence of two-thirds of the members present, and no such sentence shall be carried into execution until confirmed by the President of the United States. All other sentences may be determined by a majority of votes, and carried into execution on confirmation of the commander of the fleet, or officer ordering the court, except such as go to the dismissal of a commissioned or warrant officer, which are first to be approved by the President of the United States.

ARTICLE 20.

Every officer who is by this act authorized to convene courts-martial shall have power, on revision of its proceedings, to remit or mitigate, but not to commute, the sentence of any such court, which by this act he is authorized to approve and confirm.

ARTICLE 21.

It shall be the duty of a court-martial, in all cases of conviction, to adjudge a punishment adequate to the character and nature of the offence committed; but the members of a court may recommend the person convicted as deserving of clemency, and state on the record their reasons for so doing.

ARTICLE 22.

The judgment of every court-martial shall be authenticated by the signature of the president, and all the members of the same who may be present when the said judgment shall be pronounced, and also of the judge advocate.

ARTICLE 23.

Courts of inquiry may be ordered by the President of the United States, the Secretary of the Navy, or the commander of a fleet or squadron, provided such court shall not consist of more than three members, who shall be commissioned officers, and a judge advocate, or person to do duty as such; and such courts shall have power to summon witnesses, administer oaths, and punish contempt, in the same manner as courts-martial. But such court shall merely state facts,

and not give their opinion unless expressly required so to do in the order for convening; and the party whose conduct shall be the subject of inquiry, or his attorney, shall have permission to cross-examine all the witnesses.

ARTICLE 24.

The proceedings of the courts of inquiry shall be authenticated by the signature of the president of the court and judge advocate, and shall, in all cases not capital, or extending to the dismissal of a commissioned or warrant officer, be evidence before a court-martial, provided oral testimony cannot be obtained.

ARTICLE 25.

The judge advocate, or person officiating as such, shall administer to the members the following oath or affirmation:

"You do swear (or affirm) well and truly to examine and inquire, according to the evidence, into the matter now before you, without partiality or prejudice."

After which the president shall administer to the judge advocate, or person officiating as such, the following oath or affirmation:

"You do swear (or affirm) truly to record the proceedings of this court and the evidence to be given in the case in hearing."

SEC. 2. *And be it further enacted*, That the proceeds of all ships and vessels, and the goods taken on board of them, which shall be adjudged good prize, shall, when of equal or superior force to the vessel or vessels making the capture, be the sole property of the captors; and when of inferior force, shall be divided equally between the United States and the officers and men making the capture.

SEC. 3. *And be it further enacted*, That the prize money belonging to the officers and men shall be distributed in the following manner:

First. To the commanding officer of a fleet or squadron, one-twentieth part of all prize money awarded to a vessel or vessels under his immediate command.

Second. To the commander of a single ship, one-tenth part of all prize money awarded to the ship under his command, if such ship, at the time of making the capture, was under the immediate command of the commanding officer of a fleet or squadron, and three-twentieths if his ship was acting independently of such superior officer.

Third. The share of the commanding officer of the fleet or squadron, if any, and the share of the commander of the ship, being deducted, the residue shall be distributed and apportioned among all others doing duty on board, and borne upon the books, according to their respective rates of pay in the service.

Fourth. When one or more vessels in the navy shall be within signal distance of another making a prize, all shall share in the prize, and money awarded shall be apportioned among the officers and men of the several vessels according to the rates of pay of all on board who are borne upon the books, after deducting one-twentieth to the flag-officer, if there be any such entitled to share.

Fifth. No commander of a fleet or squadron shall be entitled to receive any share of prizes taken by vessels not under his immediate command; nor of such prizes as may have been taken by ships or vessels intended to be placed under his command before they have acted under his immediate orders; nor shall a commander of a fleet or squadron, leaving the station where he had the command, have any share in the prizes taken by ships left on such station after he has gone out of the limits of his said command, nor after he has transferred his command to a successor.

Sixth. No officer or other person who shall have been temporarily absent on duty from the vessel on the books of which he continued to be borne while so

absent shall be deprived, in consequence of such absence, of any prize money to which he would otherwise be entitled.

SEC. 4. *And be it further enacted*, That a bounty shall be paid by the United States for each person on board any ship or vessel-of-war belonging to an enemy at the commencement of an engagement which shall be sunk or otherwise destroyed in such engagement by any ship or vessel belonging to the United States, or which it may be necessary to destroy in consequence of injuries sustained in action, of one hundred dollars, if the enemy's vessel was of inferior force, and of two hundred dollars, if of equal or superior force, to be divided among the officers and crew in the same manner as prize money; and when the actual number of men on board any such vessel cannot be satisfactorily ascertained, it shall be estimated according to the complement allowed to vessels of their class in the navy of the United States; and there shall be paid as bounty to the captors of any vessel-of-war captured from an enemy, which they may be instructed to destroy, or which shall be immediately destroyed for the public interest but not in consequence of injuries received in action, fifty dollars for every person who shall be on board at the time of such capture.

SEC. 5. *And be it further enacted*, That the commanding officer of every vessel, or the senior officers of all vessels of the navy, which shall capture or seize upon any vessel or vessels as a prize, shall carefully preserve all the papers and writings found on board, and transmit the whole of the originals, unmutated, to the judge of the district to which such prize is ordered to proceed, with the necessary witnesses, and a report of the circumstances attending the capture, stating the names of vessels claiming a share thereof; and the commanding officer of every vessel in the navy entitled to or claiming an award of prize money, shall, as early as practicable after the capture, transmit to the Navy Department a complete list of the officers and men of his vessel entitled to share, inserting thereon the quality of every person rating, on pain of forfeiting his whole share of the prize money resulting from such capture, and suffering such further punishment as a court-martial shall adjudge.

SEC. 6. *And be it further enacted*, That any armed vessel in the service of the United States which shall make a capture, or assist in a capture, under circumstances which would entitle a vessel of the navy to prize money, shall be entitled to an award of prize money in the same manner as if such vessel belonged to the navy; and such prize money shall be distributed and apportioned in the same manner and under the same rules and regulations as provided for persons in the naval service, and paid under the direction of the Secretary of the Navy.

SEC. 7. *And be it further enacted*, That no person in the navy shall take out of a prize, or vessel seized as a prize, any money, plate, goods, or any part of her equipment, unless it be for the better preservation thereof, or absolutely necessary for the use of any of the vessels or armed forces of the United States, before the same shall be adjudged lawful prize by a competent court; but the whole, without fraud, concealment, or embezzlement, shall be brought in, and judgment passed thereon, upon pain that every person offending herein shall forfeit his share of the capture, and suffer such further punishment as a court-martial shall adjudge.

SEC. 8. *And be it further enacted*, That no person in the navy shall strip off the clothes, or pillage, or in any manner maltreat persons taken on board a prize, on pain of such punishment as a court-martial shall adjudge.

SEC. 9. *And be it further enacted*, That all ransom money, salvage, bounty, or proceeds of forfeiture or confiscation, accruing or awarded to any vessel of the navy, shall be distributed and paid to the officers and men entitled thereto in the same manner as prize money, under the direction of the Secretary of the Navy.

SEC. 10. *And be it further enacted*, That any person entitled to wages or

prize money may have the same paid to his assignee, provided the assignment be attested by the captain and paymaster; and in case of the assignment of wages, the power shall specify the precise time they commence. But the commander of every vessel is required to discourage his crews from selling any part of their wages or prize money, and never to attest any power of attorney until he is satisfied that the same is not granted in consideration of money given for the purchase of wages or prize money.

SEC. 11. *And be it further enacted*, That all money accruing, or which has already accrued to the United States from sale of prizes, shall be and remain forever a fund for the payment of pensions to the officers, seamen, and marines who may be entitled to receive the same; and if the said fund shall be insufficient for the purpose, the public faith is hereby pledged to make up the deficiency; but if it should be more than sufficient, the surplus shall be applied to the making of further provision for the comfort of the disabled officers, seamen, and marines.

SEC. 12. *And be it further enacted*, That the district attorneys of the several districts of the courts of the United States in which any cases of prize are or may be depending, shall, as soon as may be after the passage of this act, furnish to the Navy Department a complete list of all the prize cases which have been determined, or may still be pending within their respective districts, with a statement of the condition of each, in such form and embracing such particulars as the Secretary of the Navy may require, and shall as often as once in each month thereafter furnish a further statement of the condition of every case in their respective districts and of any further proceedings had therein since their last returns. And the Secretary of the Navy is hereby authorized to appoint an agent or to employ counsel, when the captors do not employ counsel themselves, in any case in which he may consider it necessary, to assist the district attorneys and protect the interests of the captors, with such compensation as he may think just and reasonable. And it shall be the duty of the several marshals of the United States to furnish to the Navy Department on request, or to its agent, a full and particular statement of the disposition of every prize vessel and cargo, in such form and with such details as the Secretary of the Navy may require, and as often as he may require the same; and said marshals shall also furnish to the Navy Department, or their aforesaid agent, a full and particular statement of all fees, charges, and allowances of every description claimed by them in each case of prize before the same are allowed by the court, and no such charges for disbursements of any kind shall be allowed, unless accompanied by the affidavit of the marshal that the same have been actually and necessarily incurred in the case; and it shall be the duty of the district attorney to attend on the settlement and allowance of all such bills, and protect the interests of the United States and of the captors against any improper and unlawful claims. And whenever a final decree of condemnation shall have been made, or any interlocutory sale has been ordered, the property shall be sold by the marshal pursuant to the practice and proceedings in admiralty, and the gross proceeds of such sale shall be forthwith deposited with the Assistant Treasurer of the United States at or nearest to the place where such sale is made, and the money so deposited shall remain in the treasury of the United States until a final decree of distribution, or until a decree of restitution shall be made and a certified copy thereof furnished, upon which the costs of court and the lawful charges and expenses shall be paid and the balance distributed according to said decree: *Provided*, That the annual salaries of district attorneys, prize commissioners, and marshals shall in no case be so increased under the several acts for compensation in prize so as to exceed in the aggregate the following sums, and any balance beyond the several sums shall be paid into the treasury, viz: district attorneys, six thousand dollars; prize commissioners, three thousand dollars; marshals, six thousand dollars.

SEC. 13. *And be it further enacted*, That every officer, seaman, or marine, disabled in the line of his duty, shall be entitled to receive for life, or during his disability, a pension from the United States, according to the nature and degree of his disability, not exceeding in any case his monthly pay.
