

MCCC LIST OF CLASSIFIED SOURCES

INSTRUCTIONS

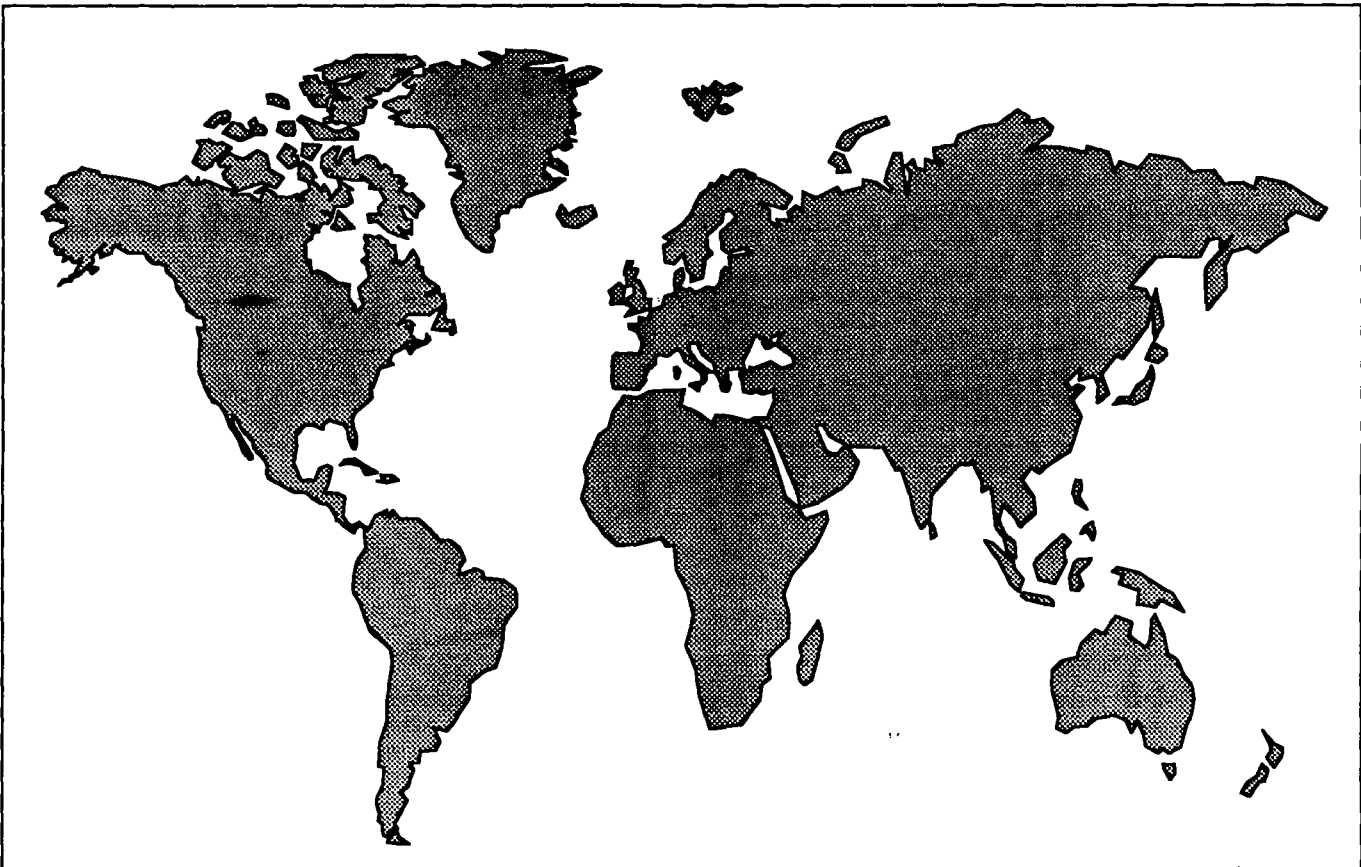

1. The enclosed log is a running list of classified sources used in the preparation of the Daily Operations Summary. All classified sources use in the preparation of the Daily Operations Summary must be listed in this log. It must be updated each time a new classified source is referenced in the Daily Operations Summary. Likewise, when a source is no longer used, delete it from the log.
2. Each time a new source is added to the listing, assign that source a serial number. The serial numbers will be assigned in numeral sequence beginning with one. Place the assigned serial number in the first column,
3. List each source in the second column. Most sources will be messages, but they could be a phoncon, briefing, fax, or another source. Sources that are used more than once, such as unit situation reports or *Navy Notes*, should only be entered once.
4. If the source is a message or other document, enter the date time group in the third column. If there are updated versions of the same source referenced then place the word **various** in this column.
5. Enter the classification of the information in the fourth column. Do not enter unclassified sources.
6. Each time a batch of daily ops sums are filed, a the most recent edition of this log must be included.
7. Point of contact: watch officer team "C."
