The figure consists of three horizontal bar charts, each representing a different category: GROUND TOTAL, AVIATION TOTAL, and GRAND TOTAL. Each chart compares the number of personnel from the USMC (United States Marine Corps) and the USN (United States Navy). The USMC is represented by a solid black bar, and the USN is represented by a solid white bar with a black outline. The bars are positioned side-by-side for each category, with the USMC bar on the left and the USN bar on the right. The USMC bars are consistently longer than the USN bars across all three categories.
