

# MCU ALUMNI NEWSLETTER

The latest alumni news and updates from  
Marine Corps University

**HAPPY 4TH  
OF JULY!**

Hello alumni students, faculty and staff and welcome to the July edition of the alumni newsletter. We hope you have a happy and safe Independence Day.

## **Need Transcripts?**

If you need transcripts or other official student documents from your time at MCU, reach out to the [registrar](#) to make a request.

## Program Information

Upon graduation, alumni will be automatically added to the MCU Alumni Program. Within the program, the alumni will have the opportunity to stay connected to their peers, faculty and staff members who have impacted their time at MCU.

## Join the Alumni Association!

The Marine Corps University Foundation has an alumni association. The association helps to fund different aspects of the university and offers a variety of different benefits. Click [here](#) for more information.

## Updates from the Krulak Center

Check out the most recent Brute Cast, the Krulak Center's podcast available on various streaming platforms and on YouTube. Additionally, "Down the Rabbit Hole" and "Middle East Studies Talks" are available on their YouTube channel, [check them out](#).

## Alumni Spotlight

**Name:** LTC Pavlo Budaievskyi (Navy)

**School:** CSC Distance Education Program 2019 (IMS- Ukraine)

**Current Job:** Chief of Section of International Partners, Cooperation and Development for the Ministry of Defense in Ukraine

**Interesting Fact:** Medaled in the 2017 Invictus Games for Swimming

With 17 years of military experience, LTC Budaievskyi attributes practical warfighting skills to MCU and his education from Command and Staff College from 2018-2019. In a BruteCast with Maj Ian Brown in March, he spoke about the war in Ukraine in depth and some of his experiences. Maj Brown had this to say to conclude the episode, "You're setting the example of how to fight in the 21st century and we're all watching and learning." For more information, check out Brutecast S6 E8.
