

CYBER REQUIREMENT

- Cyber Awareness Training is required to be completed every Fiscal Year. The training is good for one year or 365 days after completion.
- Example: If the user completed the training Jan 8 2013; they must renew the cyber training or risk their Network account being deactivated. Base G6 will not accept any SAARs with outdated certificates.

How do I get access to Cyber Training from TWMS or MarineNet?

TWMS

- TWMS –Get a CAC first
- <https://twms.nmci.navy.mil>
- If TWMS does not work; do the MarineNet CYBERC. You will need to follow the MarineNet instructions.

MarineNet

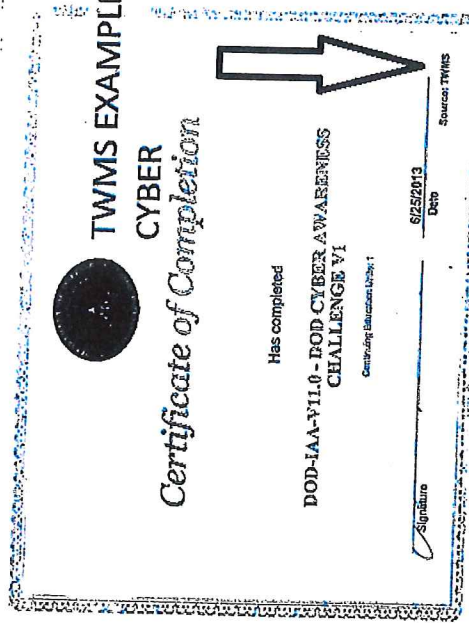

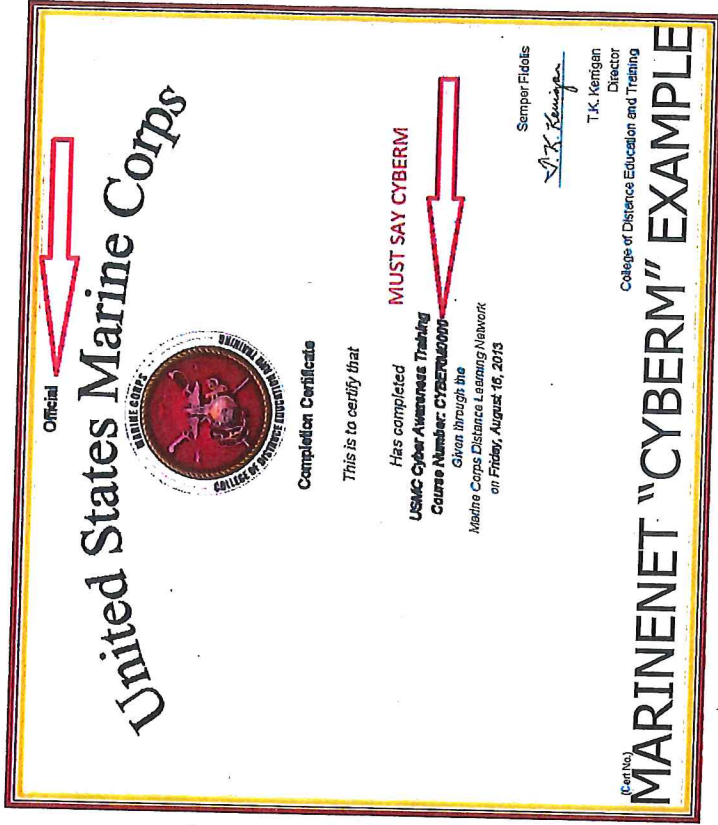

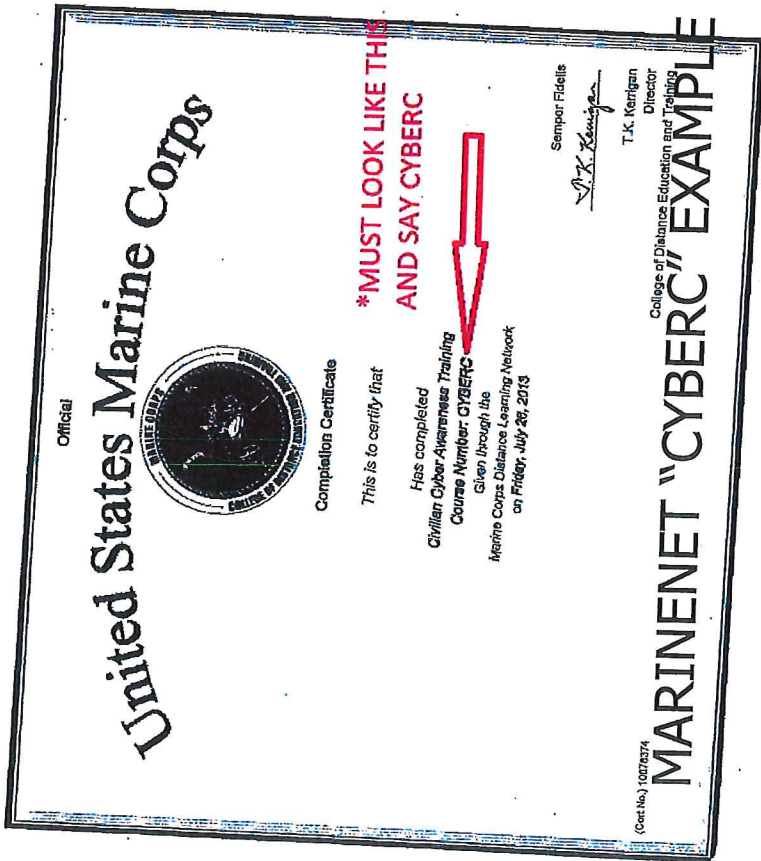

<https://www.marinenet.usmc.mil/marinenet>

- If you are not able to create/log-on to MarineNet contact MarineNet Support at 1-888-435-8762.
- If you are required to have a Sponsor (per their guidance) the sponsor must be higher than a GS-13 or 04 (Maj). Call your hiring unit to find out your sponsor.
- YOUR Sponsor calls MarineNet 1-888-435-8762 (Option 2) or Emails them your PII per the website instructions.
- MarineNet sends you an initial log-on username/password in an email
