

## **HOW TO GET TO MARINE CORPS HISTORY DIVISION**

**Be sure to have seatbelts buckled and do not use hand-held cellphones while driving on base!  
Also be sure to have identification and car registration information (or rental agreement)**

Exit 150A off I-95 (from the North) on to VA-619 (Joplin Road) toward Rt. 1. Cross over Rt 1 and enter main gate of Quantico. Show ID to guard, and if asked where you're going inform them "Marine Corps University" as they often do not know where the History Division is located.

Once through main gate, continue on for three miles. You will pass the golf course and then make a sharp turn to the right and you've reached the main part of the base.

Go to the FIRST light and turn LEFT entering the Town of Quantico. At the second intersection, turn RIGHT and park in Freeney Field on the left. Park at the far end of the lot and follow the signs to the History Division (a short 2 minute walk to the south of the field).

The Marine Corps History Division is in building 3078 at the end of Upshur near the river. The building has a curved walkway up to the main entrance which faces away from the street. The History Division is on the first floor. Historical Reference Branch is in Room 141.
